Chief Wargelin,

I just wanted to tell you how thankful we both are for your quick response when my husband collapsed at the fair due to a heart attack. (He is the bass player for the X-ChromaTones.) I wanted to let you know that he is going to be fine and the only reason is the fact that you guys responded so quickly to administer CPR and shock his heart. He was discharged today from Lake West Hospital after he had a cardiac catheterization on Monday to make sure that his stent is not clogged or anything and then defibrillator implanted on Tuesday. The prognosis is excellent and that is all due to your people taking such fine care of him. For this I thank you from the bottom (and the top!) of my heart!

Again, thank you just doesn't seem to be enough. You gave me my husband back and I will never forget you for this.

Thank you once again!

Warmest Regards,
Kathi & Chris McNichol
