Chester Twp. Fire Department

Dear Chief Wargelin,

On behalf of the Highland Heights Fire Department, I would like to thank you and the members of your department for the assistance provided on Interstate 271 Southbound on September 22, 2015.

On initial arrival, personnel found two (2) semi-trucks fully involved with significant damage to both vehicles.

I want to commend your personnel for their hard work and effort during this incident. This incident required a great deal of resources and interaction between departments and numerous agencies. While it is unfortunate the driver of one of the vehicle lost his life, all of the departments worked together to make the incident as safe as possible and prevented further losses.

Thank you again for your assistance. It is reassuring to know our region has well trained; professional fire fighters that we can count on to assist us when needed.

Sincerely,

Chief William R. Turner
