CHESTER TWP. FIRE RESCUE

February 18, 2011

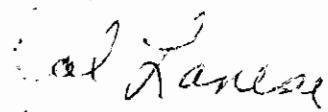

Mr. John Wargelin  
Fire Chief  
8552 Parkside Dr.  
Chesterland OH 44026

Dear John,

On Wednesday afternoon, February 16, I had an emergency situation with my two year-old granddaughter, so I went to the fire station for help. The people who attended my granddaughter were very caring and responsive. The very calming mature manner of Don Kristo and the other young men trying to soothe a crying child was very impressive.

I appreciate the time given and the caring attitude of your personnel who were on duty at that time. Please thank them for me.

Sincerely,

Dal Lanese
